The Developer and the Township further agree that should any special professional services be required in addition to those services detailed herein in review of the plans or approval of building permits, inspections or occupancy permits, the cost of such additional services shall be paid by the Developer.

WAIVER OF TIME LIMIT FOR TOWNSHIP ACTION ON
PRELIMINARY PLAN

The Pennsylvania Municipalities Planning Code requires that the municipality make and communicate its decisions on applications for approval of preliminary/final land development plans within ninety (90) days of the date of a complete application submission. From time to time, circumstances arise which prevent the municipality from giving full consideration to an application within the specified time limits. Those circumstances have arisen in this case due to inadequate information presented to the Township or for other reasons beyond the control of the Township. It is therefore requested that this waiver of time limit be executed.

THE APPLICANT IS ADVISED THAT THIS WAIVER NEED NOT BE SIGNED AND THE TOWNSHIP WILL HAVE TO ACT ON THE APPLICATION BY EITHER APPROVING OR DISAPPROVING THE APPLICATION WITHIN THE SPECIFIED TIME LIMITS. The signing of this document signifies a knowing and willing waiver by the applicant.

I/We acknowledge and agree to extend the ninety (90) day time limitation for an additional ninety (90) days to be computed from the date of signing of this document.

BCPC Municipal and Act 247
Subdivision and Land Development Application Instructions
Issued January 1, 2022

As a result of the COVID-19 Pandemic and to ensure the timely review of subdivision and land development applications, the BCPC has adopted the following **new electronic submission procedures effective immediately, until further notice.**

Procedures for Reviews of Subdivisions and Land Developments (Act 247)

As a result of the COVID pandemic, all proposed plans and supplemental reports, such as traffic impact studies and planning modules are to be submitted electronically. The newly updated 2022 Subdivision and Land Development Review Application can be found at:

<http://www.buckscounty.gov/government/PlanningCommission>

The new procedures for electronically submitting an application are as follows:

1. A completed BCPC application form is to be emailed to: planningcommission@buckscounty.org and copied to Evan Stone, BCPC Executive Director, at estone@buckscounty.org, and Michael Roedig, BCPC Director of Planning Services, at maroedig@buckscounty.org. Please do not email applications to individual staff planners. ***Do not mail/submit the fee check or plans until Steps 2 and 3 below are completed.***
2. The application form will be reviewed for completeness then an acknowledgment email will be sent back from planningcommission@buckscounty.org, including the assigned BCPC number and a link to a ShareBase folder to upload the plans and supplemental documents. ***Once the documents have been uploaded to the folder, please reply to the planningcommission@buckscounty.org email with the ShareBase link confirming the upload of the submission documents.***
3. An email will be sent back from planningcommission@buckscounty.org confirming the review fee and BCPC number. ***Please indicate the BCPC number on the fee check along with the tax parcel number(s) of the subject parcel(s) in the submitted application. Once this payment is received by the BCPC, the plan will be officially logged in, and the required PaMPC 30-day review clock will start.***
4. Please mail the confirmed fee check noting the assigned BCPC number, plan name, and TMP number(s), via the USPS to the BCPC at 1260 Almshouse Road, Doylestown, PA 18901. This will ensure proper crediting of the fee with the application.
5. If an application is deemed incomplete or the fee is calculated incorrectly, this will be communicated back to the submitting party in an email from: planningcommission@buckscounty.org.

Act 247 reviews are distributed as soon as they have been completed by staff. Reviews will be emailed to municipal officials with copies to the applicant and the applicant's consultants, if requested. **Either on the application or in the submitting email, please provide the email addresses of all parties to receive a copy of the review.**

Planning Module Reviews (Act 537)

Planning Modules are to be submitted electronically. All planning modules and official correspondence should be submitted to: planningcommission@buckscounty.org and copied to Evan Stone, BCPC Executive Director, at estone@buckscounty.org, and Michael Roedig, BCPC Director of Planning Services, at maroedig@buckscounty.org. Please do not send proposals to individual staff planners. **Submissions must include a DEP code.**

The application will be reviewed for completeness then an acknowledgment email will be sent back from planningcommission@buckscounty.org, including the assigned BCPC number and a link to a ShareBase folder to upload the planning module and supplemental documents. Once the documents have been uploaded to the folder, please reply to the planningcommission@buckscounty.org email with the ShareBase link confirming the upload of the submission documents. An email will be sent back from planningcommission@buckscounty.org confirming the receipt of the planning module.

Municipal Reviews

Reviews of Ordinances, Comprehensive Plans, Ordinance Amendments, School District Actions, and Municipal Land Acquisitions

Municipal applications are to be submitted electronically. All municipal proposals and official correspondence should be submitted to: planningcommission@buckscounty.org and copied to Evan Stone, BCPC Executive Director, at estone@buckscounty.org, and Michael Roedig, BCPC Director of Planning Services, at maroedig@buckscounty.org. Please do not send applications to individual staff planners. A municipal proposal is not considered “received” until an acknowledgment email is received back from planningcommission@buckscounty.org.

Municipal reviews are distributed after they are approved by the BCPC Board at their monthly meeting. Reviews are emailed to municipal officials with copies to the municipal solicitor. If additional parties require a copy, please indicate on the submitting email and please provide their email addresses.

Recording of Subdivisions and Land Developments

The BCPC no longer physically signs record plans. Requirements for the recording of approved subdivision and land development plans can be found at: <https://www.buckscounty.gov/414/Recorder-of-Deeds>. A BCPC number is required to be placed on all approved subdivisions and land developments, indicating that the BCPC has reviewed the plan in accordance with PaMPC requirements. However, we understand that there are circumstances where the subdivision and land development process has been waived and therefore *no BCPC review is required. In these cases, “N/A” may be placed on the BCPC signature line, but the applicant must provide a letter to the Recorder of Deeds from the municipality stating that the process has been waived. The letter will be scanned at the Recorder’s office and provided to us electronically so that we may officially sign off on the plan.*

BCPC Board Meeting Schedule

Until further notice, the BCPC Board will meet virtually on the first Wednesday of each month at 2 PM. Meetings are open to applicants and the public. A public telephone call in number will be posted to the BCPC website 24 hours prior to the meeting. All meeting information can be found here: <https://buckscounty.gov/346/Planning-Commission-Board>

This application must be completed on both sides by the applicant, or their agent, and submitted digitally following the procedures below for subdivision and land development reviews mandated by the Pennsylvania Municipalities Planning Code (PaMPC), Act 247 of 1968, as amended.

INSTRUCTIONS FOR COMPLETING COMPONENT 4A MUNICIPAL PLANNING AGENCY REVIEW

Remove and recycle these instructions prior to mailing component to the approving agency (DEP or delegated local agency).

Background

This component, Component 4, is used to obtain the comments of planning agencies and/or health departments having jurisdiction over the project area. It is used in conjunction with other planning module components appropriate to the characteristics of the project proposed.

Who Should Complete the Component?

The component should be completed by any existing municipal planning agency, county planning agency, planning agency with areawide jurisdiction, and/or health department having jurisdiction over the project site. It is divided into sections to allow for convenient use by the appropriate agencies.

The project sponsor must forward copies of this component, along with supporting components and data, to the appropriate planning agency or agencies and health department(s) (if any) having jurisdiction over the development site. These agencies are responsible for responding to the questions in their respective sections of Component 4, as well as providing whatever additional comments they may wish to provide on the project plan. After the agencies have completed their review, the component will be returned to the applicant. The agencies have 60 days in which to provide comments to the applicant. If the agencies fail to comment within this 60 day period, the applicant may proceed to the next stage of the review without the comments. The use of registered mail or certified mail (return receipt requested) by the applicant when forwarding the module package to the agencies will document a date of receipt.

After receipt of the completed Component 4 from the planning agencies, or following expiration of the 60 day period without comments; the applicant must submit the entire component package to the municipality having jurisdiction over the project area for review and action. If approved by the municipality, the proposed plan, along with the municipal action, will be forwarded to the approving agency (DEP or delegated local agency). The approving agency, in turn, will either approve the proposed plan, return it as incomplete, or disapprove the plan, based upon the information provided.
