NOTICE TO APPLICANT/OWNER: Read the following paragraphs carefully as they outline the liability you undertake by virtue of this application:

The undersigned hereby assumes any and all liability, and agrees to hold harmless and indemnify the Township of Bristol for damages to person or property, resulting from the opening, excavating or occupying of any highway, road, street, avenue, public lane, public alley, sidewalk or footpath which is within the scope of this application, as well as any damages resulting as a natural consequence from activities encompassed herein.

Further, the undersigned agrees to contact the Township engineer by telephone at least twenty-four (24) hours prior to the proposed commencement of work. No work shall be performed without the approval of the Township engineer. Any work performed without the engineer's approval and which fails to meet Township standards shall be repaired or replaced at the undersigned's expense.

For permit to install sewer or water lines which requires opening an improved surface, \$1,000 must be placed in escrow by the applicant. The costs incurred by the Department of Roads and Public Properties in performing the necessary surface repair shall be deducted from the escrow and the balance, if any, returned to the applicant.

To the best of my knowledge, the information supplied on these forms is true and correct. I have read the notice set forth and hereby agree to be bound by its terms.
